**INTERROGATORY NO. 10:**

Identify all domain names presently or previously owned or used by the owner of the SCRATCH.ORG domain name, and for each, itemize in the chart below (adding more boxes as applicable) the revenues that the owner has obtained from each identified domain name and the use of each domain name, and identify by Bates Numbers (from SCRATCH.ORG's document production) all documents reflecting or describing such information.

Domain Name	Use of Domain Name	Date Range	Gross Amount Received	Bates Numbers of Documents Reflecting this Information
1.				
2.				
3.				

**RESPONSE TO INTERROGATORY NO. 10:**

Defendant objects to this Interrogatory to the extent that it calls for information that is protected by the attorney-client privilege or the work product doctrine. Defendant further objects to the requests related to the use of and gross amount received from these domain names because such information is not reasonably calculated to lead to the discovery of admissible evidence.

Subject to and without waving any objection, Defendant responds as follows:

Pursuant Federal Rule of Civil Procedure 33(d), Defendant will produce business records detailing his domain name holdings. The following documents refer to the above answer: A comprehensive record detailing Defendant's domain name holdings. These responses will be supplemented with bates numbers once Defendant's document production has been assembled.
